인사말

존경하는 학회원 여러분 안녕하세요?

어제의 가을 햇볕에 오늘이 익는 결실의 계절에 (사)한국만화웹툰학회 추계학술대회와 국제교류 작품 전시가 일본 베틀대학에서 7개국, 국내외 작가 75명이 참가하고 있습니다.

학기 초 바쁜 중에도 적극적인 학회원님의 참여에 깊은 감사드립니다.

시각예술의 새로운 동반 성장의 기회는 시선의 다양함과 소비환경 물결을 확장하는 것에서부터 출발합니다. 최근 AI 인공지능을 통한 가설 검증과 과정 통제 없이 출발했으며, 불가능하다고 생각했던 것들이 가능해졌고, 상상하지 못했던 일들이 벌어지는 세상입니다.

이번 베틀 대학에서의 국제 교류 작품전시회를 통하여 7개국에서 출품한 다양한 시각이미지를 통한 문화 확장의 기회와 이미지의 외적 기호 표시였던 데이터에서 이제 작가 사고의 내적 본질에 접근한 프롬프트가 될 것입니다. 문화 예술 전파와 AI 인공지능 기술이 접목되어 새로운 알고리즘이 핵심이 되어 미래 지평을 바꾸는 기회와 출발점이 이곳 베틀대학에서 개최됩니다.

아름다운 일본 제1 온천마을 베틀시의 베틀대학에 참석해 주신 모든 분께 감사드리며, 특히 소중한 자리를 마련해 주신 베틀대학교 관계자 여러분과 니시무라 학부장님, 김효원 교수님께 감사드립니다. 특히 본 전시를 위해 많은 시간과 노력을 아끼지 않고 준비하시느라 애써주신 전시위원장 배재대학교 백종성 교수님 이하 스태프 여러분께 깊은 감사를 드립니다.

전시 작품 발표 작가님과 청중으로 참여하신 모든 회원님들께도 진심으로 감사 말씀 드립니다.

2023년 10월 17일
(사) 한국만화웹툰학회 회장 성문기

Greetings to our respected members of the omics & Webtoon Society of Korea

In the season of fruits ripening today under yesterday's autumn sun, the Comics & Webtoon Society of Korea's Fall Conference and International Exchange Exhibition is being held at Beppu University in Japan, with the participation of 75 artists from 7 countries including Korea. We are deeply grateful for our members' active participation, even amid the busy early semester.

The possibility of a new co-growth of the visual arts begins with expanding the diversity of the gaze and the wave of the consumption environment. Recently, without hypothesis verification and process control by artificial intelligence, things that were thought impossible became possible, and things that were not imagined have happened. This exhibition of international exchange works at Beppu University will be a prompt to approach the inner essence of artists' thinking from data that were opportunities for cultural expansion and external symbols of images through various visual images from seven countries.

Here at Beppu University, the opportunity and starting point for changing the future horizon, where art and culture are combined with artificial intelligence technology, with new algorithms at the core.

We would like to thank everyone who attended the event at Beppu University in the best and beautiful Japanese hot spring city of Beppu, Japan, and especially the officials of Beppu University, Dean Nishimura and Professor Kim Hyo-won, for hosting us. In particular, we would like to express our deepest gratitude to the exhibition chairman, Professor Baek Jongseong of Pai Chai University, and his staff for their time and effort in preparing this exhibition. We would also like to express our sincere gratitude to the artists who presented their works and to all the members who participated as audience members.

October 17th, 2023
The President of the Comics & Webtoon Society of Korea,
Seong Mun-Gi

인사말

2023년 가을 일본 베틀에서 5번째 (사)한국만화웹툰학회 정기전이 열립니다.

2023년을 뒤흐른 키워드는 인공지능이었습니다. 창작자들은 이 새로운 변화에 대하여 우려와 기대의 마음을 동시에 갖고 변화에 대비하고 있습니다. 이번 국제교류전에는 국내외 작품에서 인공지능을 활용한 작품들을 일부 선보이게 되었습니다. 인공지능은 창작의 형태를 어떻게 변화시키게 될까요. 새로운 기술은 예술을 어떻게 변화시킬 수 있을까요.

이번 국제교류전의 주제는 '미지와와의 조우'입니다. 동명의 영화 제목처럼 예술이 새로운 무언가를 조우하게 된다면 어떤 일이 벌어질까요. 상징적인 의미를 담아 영어 제목은 직역하지 않고 영화 제목으로 의역하였습니다. 예술은 항상 기술과 함께 발전하며 변화해 왔습니다. 앞으로 변화될 예술의 형태가 기대됩니다. 분명한 것은 예술을 발현하는 창의성과 예술성은 창작자에게 달려있다는 것입니다.

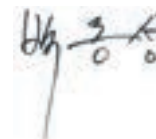

일본 베틀대학교에서 진행되는 (사)한국만화웹툰학회의 5번째 국제교류전은 한국을 대표하는 만화·웹툰 연구자와 관련 대학의 교수님들, 창작자들이 참여한 전시회로 일본, 중국, 말레이시아, 미얀마, 베트남, 몽골, 한국 등 7개 국에서 75명의 인원이 참가하였습니다. 특히 국내외 대학생들의 참여가 늘어난 것이 고무적입니다. 청년들의 창의적인 작품을 기대와 응원을 담아 관람해 주시기 바랍니다. 전시에 참여해 주신 여러 작가분들과 연구자, 회원 여러분들께 진심으로 감사드립니다.

아름다운 온천마을 베틀에서 열리는 이번 정기전을 통해 일본을 비롯한 다양한 작가들과의 만남을 가질 수 있게 되었습니다. 국제교류전을 지원해 준 베틀대학교 및 (사)한국만화웹툰학회 성문기 회장님과 회원분들에게 다시 한번 감사드립니다.

창의적이고 예술적인 작품들을 즐겁게 관람해 주십시오.

감사합니다.

2023년 10월 17일
(사)한국만화웹툰학회 전시이사 백종성

인사말

The buzzword of 2023 is artificial intelligence. Creators welcome and prepare for this new change with concern and anticipation. In this international exhibition, we will showcase some works that use artificial intelligence in domestic and international works. How will artificial intelligence change the form of creation? How can new technologies transform art? The theme of this international exhibition is "Close Encounters Of The Third Kind". Like the movie title of the same name, what happens when you come face to face with something new. Art has always evolved and changed with technology, and we are excited to see how it will change in the future. What is clear is that the creativity and artistry of art is up to the creators.

The 5th International Exchange Exhibition of the Comics & Webtoon Society of Korea, held at Beppu University in Japan, was attended by leading Korean comics and webtoon researchers, professors from related universities, and creators, with about 75 participants from seven countries, including Japan, China, Malaysia, Myanmar, Vietnam, Mongolia, and Korea. We are especially encouraged by the increased participation of domestic and foreign university students. We look forward to seeing the creative works of these young people. We would like to express our sincere gratitude to the artists, researchers, and members who participated in the exhibition.

Held in the beautiful hot spring town of Beppu, we were able to meet a variety of artists from Japan and beyond. We would like to thank Beppu University, Professor Sung Moonki, the President of the Comics & Webtoon Society of Korea, and our members of the Society for their support of the international exhibition.

We hope you enjoy these creative and artistic works.

Thank you very much.
