2024 한국만화웹툰학회 가을 국제교류전
허베이미술대학

인사말

존경하는 학회원 여러분 안녕하세요?
(사)한국만화웹툰학회장 성문기입니다.

존경하는 (사)한국만화웹툰학회원님께 감사 인사드립니다.

2024년은 우리 학회가 창립 4주년을 맞이하는 해입니다. 2023년 일본 벵푸대학교에서 개최된 가을 국제학술대회와 국제교류전이 많은 관심과 참여로 성황리에 마무리된 것이 벌써 1년이 되었습니다. 이번 2024년 가을 국제교류전을 중국 허베이미술학원 대학교에서 개최하게 된 것을 매우 뜻깊게 생각합니다.

만화 웹툰의 연구 영역이 디지털 콘텐츠 산업과 융합되며, 인공지능(AI) 기술은 빠른 속도로 문화콘텐츠 산업 환경을 변화시키고 있습니다. 이 흐름은 앞으로 더욱 긍정적으로 변화할 것이며, 이미 문화, 경제, 사회, 교육에서 AI를 활용한 사례들이 늘어나고 있으며, 미디어 영상 등 인공지능을 활용한 예술 창작활동도 활발히 이루어지고 있습니다.

창작 환경 역시 마찬가지입니다. 창작자의 지적재산권(IP)을 침범하지 않는 범위 내에서 인공지능 기술의 다양한 확장을 시도해 볼 필요가 있습니다. 이번 학술대회와 국제교류전을 통해 변화되고 있는 창작 환경을 선도할 수 있는 기회가 되길 희망합니다.

소중한 자리를 마련해주신 허베이미술학원 대학교 전종위 이사장님, 쉬란칭 학장님, 관계자 여러분과 교수님께 감사드립니다. 특히 본 행사를 위해 많은 시간과 노력을 아끼지 않고 준비에 애써주신 전시위원장 국립목포대 백종성 교수님과 스태프 여러분께도 깊은 감사를 드립니다. 전시에 참여하신 모든 회원님께도 진심으로 감사 말씀드립니다.

2024년 10월 26일
(사) 한국만화웹툰학회 회장 성문기

"Greetings to our respected members of the Comics & Webtoon Society of Korea.

I would like to express my gratitude to the respected members of the Comics & Webtoon Society of Korea. 2024 is the year our society celebrates its 4th anniversary. It has already been one year since the 2023 Fall International Academic Conference and International Exchange Exhibition held at Beppu University in Japan was successfully concluded with much interest and participation. It is very meaningful that this fall 2024 international exchange exhibition will be held at Hebei Academy of Fine Arts, China.

The research area of comics & webtoon is converging with the digital content industry, and artificial intelligence (AI) technology is rapidly changing the cultural content industry environment. This trend will change more positively in the future, and cases of using AI in culture, economy, society, and education are already increasing, and artistic creation activities using artificial intelligence, such as media videos, are also actively taking place.

The same goes for the creative environment. There is a need to try various expansions of artificial intelligence technology within the scope of not infringing on the creator's intellectual property rights (IP). We hope that this academic conference and international exchange exhibition will be an opportunity to lead the changing creative environment.

I would like to thank Hebei Academy of Fine Arts University Chairman Zhen Zhongyu, Dean Xu Lanqing, all involved, and professors for providing this valuable opportunity. In particular, we would like to express our deepest gratitude to Professor Baek Jong-seong, chairman of the exhibition committee at Mokpo National University, and the staff who spared a lot of time and effort in preparing for this event. We would like to express our sincere gratitude to all members who participated in the exhibition.

October 26, 2024
The President of the Comics & Webtoon Society of Korea
Seong, Mun-gi

인사말

2024년 가을 허베이미술대학에서 7번째 (사)한국만화웹툰학회 정기전이 열립니다.

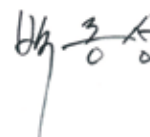

아름다운 중국 허베이에서 (사)한국만화웹툰학회의 7번째 국제교류전이 열립니다. 멋진 자연 경관 속에 어우러진 허베이미술대학 갤러리에서 유머러스하고 날카로운 시선을 가진 작품들을 선보이게 되었습니다.

만화는 세상을 관철(觀徹)하는 시선을 갖고 있습니다. 때로는 냉철하게 시대를 비판하고 때로는 사랑스러운 시선으로 세상을 바라봅니다. 지난 몇 년간 세상은 빠르게 변화하고 있습니다. 또한 그만큼 많은 갈등을 겪고 있습니다. 국가, 인종, 성별, 세대 등 서로 다름에 대해 갈등하고 부딪히고 있습니다. 기술의 발전으로 이제는 인간들 간의 갈등을 넘어 인공지능과의 문제를 고민하는 시대가 다가오고 있습니다.

이번 전시의 주제는 '공존'입니다. 전시에 참여한 작가들은 서로 다름을 어떠한 시선으로 바라보고 해석하고 있을지, 작품을 감상하며 느껴보시길 바랍니다.

이번 국제교류전은 한국, 중국, 일본, 독일, 시리아, 벨기에, 튀르키예, 모로코 등 7개 국가에서 약 70여 명의 작가들이 참여하였습니다. 전시를 위해 자리를 마련해 준 허베이미술대학과 학회장님, 전시에 참여해준 작가분들께 감사의 말씀을 드립니다.

2024년 10월 26일
(사) 한국만화웹툰학회 전시이사 백종성

The 7th Comics & Webtoon Society of Korea's regular exhibition will be held at Hebei University of Fine Arts in the fall of 2024

The 7th International Exchange Exhibition of the Comics & Webtoon Society Korea's will take place in the beautiful Hebei, China. The Hebei University of Fine Arts Gallery, set in a picturesque natural landscape, showcases works with a humorous and sharp perspective.

Comics have a perspective that captures the world. Sometimes comics criticize the times in a sharp, cool-headed manner, and sometimes they look at the world with a warm, loving gaze. Over the past few years, the world has been changing rapidly. We are encountering many conflicts, clashing over differences in nationality, race, gender, and generation. With technological advancements, we are now facing an era where we grapple with issues related to artificial intelligence that go beyond human conflicts.

The theme of this exhibition is 'Coexistence.' I hope you will feel, through the works on display, how the participating artists view and interpret these differences in various ways.

About 70 artists from 7 countries, including Korea, China, Japan, Germany, Syria, Belgium, Turkiye, and Morocco, are participating in this international exchange exhibition. We would like to express our gratitude to the Hebei Academy of Fine Arts and its president for providing the venue for the exhibition, as well as to the artists who participated in the exhibition.
